

Diagram illustrating a table structure with two columns: **Header** and **Table of your collection**.

The **Table of your collection** contains two rows of data:

- Row 1: **input** (Header) and **Begin** (Table of your collection)
- Row 2: **input** (Header) and **subject** (Table of your collection)

An arrow points from the **input** in the second row to the **subject** in the second row.

Table of games with
misses lost with losses

Hand-drawn diagram of a web page layout. The diagram shows a large rectangle representing the page. Inside, on the left, is a vertical rectangle labeled "Title". To its right is a horizontal rectangle labeled "Your content your ROZ key in". Below the "Title" rectangle is an arrow pointing to a label "17". To the right of the "Your content..." rectangle is a large rectangle labeled "random word in place of logo". An arrow points from the top of the "random word..." rectangle to a label "2" at the top right of the page.
